

# More Resources

A series of online resources are available to help members of the network with their measurement, evaluation, and assessment work for their EPIC-N program.

## EPIC-N Support Staff

Want help setting up measurement tools, accessing to the EPIC-N Qualtrics templates, or choosing different components of your program? Email [info@epicn.org](mailto:info@epicn.org) to request a meeting with our support staff to get started.

## Online Resources

There are countless online resources to help measure success. EPIC-N is working with Qualtrics and EPIC-N leaders to synthesize the available resources to help member programs:

- Set up their assessments
- Align assessments to desired constructs for student and/or community impacts
- Improve the aggregation of network information to inform decision making
